

Audi education program

To: Prospective Student

From: Michael Setzer
Instructor/Coordinator
Audi Education Program
Sheridan Technical College,
a Broward County School

Subject: Audi Education
Program Information

Thank you for the opportunity to share information about Sheridan Technical College's Audi Education Program. I would like to set up a time for you to visit our school and tour the facility. In the meantime, I am attaching a program flyer and application for you to review.

Remember, this is a career opportunity not available to everyone. It is intensive factory technical training, and on the job training with pay! There will be limited availability in this program to maximize learning. Let's start your career as an automotive technician working in an Audi Dealership.

Please contact me at your earliest convenience at 754.321.3900 or email me at the address below to set up an appointment.

WHAT IS TAUGHT IN THE PROGRAM?

Students will receive their automotive technical training at Sheridan Technical College West during the daytime. Students will be interviewed and selected by a sponsoring dealership and will receive technical training with a scheduled internship that includes paid work experience at the dealership.

At Sheridan Technical College, the students will receive instruction on the latest corporate products. The content areas include:

AER00142	Introduction to Automotive Technology
AER03602	Electrical/Electronic Systems
AER04182	Brake Systems
AER01722	Heating and Air Conditioning
AER04532	Steering and Suspension Systems
AER02742	Manual Drive Train and Axles
AER02572	Automatic Transmissions
AER01102	Engine Repair
AER05032	Advanced Engine Performance and Computer Engine Controls

The application
