### Description of Program

The Advanced Esthetics program is designed for registered Facial/Skin Care Specialists within the State of Florida who wish to enhance their skills in order to be more readily employable by the Spa Industry, Medical Offices, Plastic Surgeons, and Medi/Spa Industry. The program offers a sequence of courses that provide coherent and rigorous content aligned with challenging academic standards and relevant technical knowledge and skills needed to prepare for further education. We will provide technical skill proficiency, higher-order reasoning and problem solving skills; safe and efficient work practices, spa therapies, advanced peels, exfoliators, microdermabrasion, micro-current, and LED therapy. Students will also become familiar with advanced esthetic procedures and wound care, medical terminology, nutrition and its effect on the body and appearance.

### Requirements for Admission

- Orientation/Testing/Counselor Interview
- Facials Specialty Registration

### Prerequisite

Students must have a Facials Specialty Registration.

To be admitted into a program of study offered by Sheridan Technical College, an individual must satisfy all of the admission requirements applicable to that program of study. General admissions and registration procedures for Sheridan Technical College are as follows:

**ADMISSION AND REGISTRATION PROCEDURES**

**1. Attend Orientation**

Applicants for technical programs must attend an on campus or online orientation.

- **On-campus Orientation:** It is strongly recommended and provides an in depth overview of our programs and resources. For Main Campus orientation, please report to Building #11 by 8:30 am. For West Campus orientation, please report to the main office by 8:00 am.
- **Online Orientation:** At the end of the online orientation you must complete the Online Orientation Survey. To access the orientation visit: <http://www.sheridantechical.com/HowtoApply/OnlineOrientation>

**2. Take the Test of Adult Basic Education (TABE)**

- **Main Campus:** TABE is administered Monday through Thursday for all programs directly after orientation. Applicants must report to Building #11 with a valid picture ID and \$10.00 by 8:30 am.
- **West Campus:** TABE is administered Tuesday, Wednesday and Friday for all programs. Applicants must check in with a valid picture ID and \$10.00 by 8:00 am.
- Prospective students showing evidence pursuant to State Board **Rule 6A-10.040(8)** may be eligible to receive an exemption from taking the TABE. A program counselor/advisor can assist you with identifying Basic Skills exemption criteria.
- Programs that do not require TABE testing are as follows: Commercial Class B Driving, Commercial Vehicle Driving, Facials Specialty, Gaming Machine Repair Technician, Home Health Aide, Patient Care Assistant and Phlebotomy.

**3. Schedule and Attend a Counselor Interview**

- Schedule an appointment for an interview with the program counselor/advisor by calling 754.321.5400 (Main Campus) or 754.321.3900 (West Campus).
- Discuss TABE scores and next steps. Next steps may include a referral for remediation if minimum basic skills levels have not been achieved, program placement, special needs, financial aid and registration procedures. **Test scores cannot be given over the phone.**
- Please bring two forms of documented Florida residency to the interview.

**4. Register for Class**

- Registration for postsecondary students is held throughout the year.
- Please check with the program counselor/advisor for availability and registration dates.
