- Employability skills
- Electrical systems

### Program Length

750 hrs | Full Time 6 months

### Approximate Cost

\$3,303

### Location

West Campus

### Schedule

- Full Time: Monday - Friday  
7:00 am - 1:45 pm

### Description of Program

The Medium and Heavy Duty Truck and Bus Technician 2 program will teach students the skills necessary to properly maintain and repair the heavy diesel commercial vehicles that carry products and passengers across our nation's highways. The students will learn to maintain and repair commercial vehicles according to the strict Federal Department of Transportation (FDOT) guidelines. Students will learn safe and efficient work practices. Students will gain the skills necessary to repair air brake systems, electrical systems, steering and suspension systems, preventative maintenance, and more. Upon program completion, students will receive a technical certificate as well as supplemental certificates in brake adjustments and DOT annual inspections. The course will also prepare the student for successful entry in the industry whether it is working for a large truck or bus fleet, a dealership, or a local repair shop or mobile service. The course will include training in preventative maintenance and repair, HVAC systems, steering and suspensions systems, drive lines, medium and heavy duty brake systems, communication, record keeping, leadership, human relations, and employability skills.

### Requirements for Admission

- Orientation/Testing/Counselor Interview
- High School Diploma or GED

### Industry Certification & State Credential Exams

Students will be prepared to take an approved state and/or nationally recognized industry certification or licensure exam in their field of study.

To be admitted into a program of study offered by Sheridan Technical College, an individual must satisfy all of the admission requirements applicable to that program of study. General admissions and registration procedures for Sheridan Technical College are as follows:

### ADMISSION AND REGISTRATION PROCEDURES

#### 1. Attend Orientation

Applicants for technical programs must attend an on campus **or** online orientation.

- **On-campus Orientation:** It is strongly recommended and provides an in depth overview of our programs and resources. For Main Campus orientation, please report to Building #11 by 8:30 am. For West Campus orientation, please report to the main office by 8:00 am.
- **Online Orientation:** At the end of the online orientation you must complete the Online Orientation Survey. To access the orientation visit: <http://www.sheridantechical.com/HowtoApply/OnlineOrientation>

#### 2. Take the Test of Adult Basic Education (TABE)

- **Main Campus:** TABE is administered Monday through Thursday for all programs directly after orientation. Applicants must report to Building #11 with a valid picture ID and \$10.00 by 8:30 am.
- **West Campus:** TABE is administered Tuesday, Wednesday and Friday for all programs. Applicants must check in with a valid picture ID and \$10.00 by 8:00 am.
- Prospective students showing evidence pursuant to State Board **Rule 6A-10.040(8)** may be eligible to receive an exemption from taking the TABE. A program counselor/advisor can assist you with identifying Basic Skills exemption criteria.
- Programs that do not require TABE testing are as follows: Commercial Class B Driving, Commercial Vehicle Driving, Facials Specialty, Gaming Machine Repair Technician, Home Health Aide, Patient Care Assistant and Phlebotomy.

#### 3. Schedule and Attend a Counselor Interview

- Schedule an appointment for an interview with the program counselor/advisor by calling 754.321.5400 (Main Campus) or 754.321.3900 (West Campus).
- Discuss TABE scores and next steps. Next steps may include a referral for remediation if minimum basic skills levels have not been achieved, program placement, special needs, financial aid and registration procedures. **Test scores cannot be given over the phone.**
- Please bring two forms of documented Florida residency to the interview.

#### 4. Register for Class

- Registration for postsecondary students is held throughout the year.
- Please check with the program counselor/advisor for availability and registration dates.
