## registration information

Contact Office of Student Affairs  
for more information | 754.321.5400

Stay Connected

- Registration fees and Health Science fees are non-refundable (each semester has a \$40 non-refundable registration fee and \$20 each quarter).
- Semester length is 18 weeks/quarter length is 9 weeks.
- There is an annual \$10 Student Activity Fee.
- Tuition and lab fees are subject to change by the Florida Legislature

and/or the Broward County School Board.

- Classes are subject to cancellation if minimum enrollment is not met.
- Proper I.D. for testing is required. Example: Valid Florida Drivers License, valid Passport and/or a valid Florida I.D.

- Fees listed are for Florida residents; non-resident fees are higher and available upon request.
- Fees listed are based on the number of class days according to the District calendar.
- Total approximate program costs are found in the student catalog.

Prices are for Florida Residents. Fees listed are based on the number of class days according to the District Calendar. Rev 8.4.2017

## testing center

Sheridan Technical College is a Pearson VUE and Certiport Authorized Testing Center. Pearson VUE and Certiport offers innovative computer-based testing solutions through secure, electronic test delivery. We provide licensure, certification, academic admissions, regulatory and government exams and credentials to keep you competitive in today's global workforce. For more information or to schedule a test, call 754-321-5541.

## abe/aaae/ged adult education

Contact the Adult Academics for Adult Education for more information | 754.321.5492

### ABE/AAAE 754.321.5492 (Adult Basic Education/Applied Academics for Adult Education)

The Adult Basic Education (ABE) program provides basic literacy and life skills for individuals who desire to improve their academic levels. Adult Basic Education includes content standards for Mathematics, Language, and Reading. Flexible class times are available to accommodate student needs. \*In addition to the \$30 tuition there is a \$15 nonrefundable assessment fee and \$10 Student Activity fee per year.

### AAAE 754.321.5492

The purpose of this program is to prepare students for college and future careers by improving reading, math, and language skills. The Applied Academics for Adult Education (AAAE) program is based upon the assessed needs of the individual and the academic and employability requirements related to Florida's Career and Technical Education (CTE) programs. Flexible class times are available to accommodate student needs. \*In addition to the \$30 tuition there is a \$15 nonrefundable assessment fee and \$10 Student Activity fee per year.

“Never quit on yourself! No matter how many times you take a test, don't let that discourage you. Instead allow that to encourage you to study more and ask for help. Remember no question is a dumb question.”

### AUTOMOTIVE SERVICE TECHNOLOGY - AAST (AUDI AUTOMOTIVE SERVICE TRAINING)

1800 hrs |

Students attend Sheridan Technical College on Mondays and Tuesdays from 8:00 am to 4:30 pm while working at their sponsoring dealerships part time the rest of the week. Students will work approximately 20 to 30 hours a week at a dealership, under the supervision of a

Master Technician, earning \$11.00 per hour totaling nearly \$27,000 during the program. Audi students will be encouraged to take the ASE Automobile Certification Tests during the normal length of the program and should have at least four (4) ASE certifications upon graduation. Students will also obtain official Audi Factory Training in a variety of areas. This training is recognized by Audi Dealers Nationwide. As the technology increases in automobiles, the need for highly skilled factory trained automobile technicians also increases. The av-

erage Audi graduate should earn into the \$40,000 range within a couple of years after graduation. Many technicians earn over \$50,000 a year and it is not unusual to earn over \$75,000 a year. For more information and details about this program contact the Audi Training Coordinator Edgard Solis at 954.801.7188 or Sheridan's West Campus at 754.321.3900.

Audi

### AUTOMOTIVE COLLISION TECHNOLOGY TECHNICIAN

1400 hrs |

The learning experiences included in the Automotive Collision Technology Technician program prepares students for employment in the collision repair industry. Consumers are

keeping their vehicles longer and every year more cars and trucks crowd onto the highways. Both factors create a need for more body and paint repair technicians. Available occupations include collision repair technician, paint repair technician, body shop office personnel, material supplier, sales, glass technician, and related positions within insurance companies.

## AUTOMOTIVE SERVICE TECHNOLOGY

1800 hrs | **HYBRID**

The Automotive Service Technology program prepares students for employment as automotive technicians by providing them with state-of-the-art automotive service repair techniques. Technical training is provided in the classroom and in the lab on both foreign and domestic vehicles. Included in this NATEF Certified Program are the following ASE Certification subjects: Electrical Systems, Engine Theory and Repair, Engine Performance, Manual Drivelines and Axles, Automatic Transmissions, Brake Systems, Heating and Air Conditioning, and Steering/Suspension Systems. Introduction and routine maintenance subjects are also included. This competency-based program combines theory and real-life working conditions to provide an effective beginning for students who wish to become certified automotive service technicians.

<http://www.sheridantechcollege.edu/gainful-employment/AutomotiveServiceTechnology/47.0604-Gedt.html>

## ADVANCED AUTOMOTIVE TECHNOLOGY FORD - ASSET (AUTOMOTIVE STUDENT SERVICE EDUCATIONAL TRAINING)

2400 hrs |

The Ford ASSET program is a two-year

associate degree program in cooperation with Ford or Lincoln dealerships. ASSET incorporates the most advanced foundation in automotive service technology, mechanical skills, and academic skills. ASSET provides a solid education combined with invaluable work experience at a Ford or Lincoln dealership for

hands-on learning. Applicants must have GED or High School diploma, less than three points on drivers license, pass a background and drug test, and be at least 18 years of age.

<http://www.sheridantechcollege.edu/project/advanced-automotive-technology-gedt/>

## ADVANCED AUTOMOTIVE TECHNOLOGY - GM ASEP

2400 hrs |

The General Motors Automotive Service Educational Program (GM ASEP) is an alliance between Sheridan Technical College and General Motors Corporation. GM ASEP is a two year college automotive training program that leads to an Applied Associates of Service (AAS) Degree in automotive service management. Students attend class full time for eight (8) weeks followed by eight (8) weeks of full time paid work experience at local General Motors Dealership. GM ASEP students must complete academic classes at Broward College while taking advanced automotive technical training at Sheridan Technical College. Applicants must be at least 18 years of age.

[http://www.sheridantechcollege.edu/gainful-employment/AdvancedAutomotiveTechnology/47\\_0604-Gedt.html](http://www.sheridantechcollege.edu/gainful-employment/AdvancedAutomotiveTechnology/47_0604-Gedt.html)

# FCA

FIAT CHRYSLER AUTOMOBILES

## ADVANCED AUTOMOTIVE TECHNOLOGY MOPAR CAREER AUTOMOTIVE PROGRAM - MCAP

2400 hrs |

Entry level automotive technicians will work for a local Chrysler, Jeep, Dodge, Ram, Fiat, or SRT dealer while attending a two year factory training program at Sheridan Technical

College. Students must attend Sheridan Technical College every Monday to receive factory training. Students have the option to attend an academic class one night a week at Broward College. Students usually work 35 paid hours per week, earning \$22,000 in their training years. Graduates earn approx, \$42,000 a year. Students will earn while they learn. Sheridan Technical College accepts "

college prepaid" and "federal student aid." School costs are approximately \$400 a month. For more information contact Mark Couvillon at 954.253.8664. Applicants must have a GED or High School diploma, less than three points on drivers license, pass a background check and drug test.

### COMMERCIAL VEHICLE DRIVING

320 hrs |

The Commercial Vehicle Driving program will prepare students for entry-level employment as a professional local or over-the-road (OTR) truck driver. Upon successful completion of the program, which includes 1,000 miles of local and highway driving, Commercial Vehicle Driving students will receive a technical certificate, and will be able to test at our facility for the Class "A" Commercial Drivers License (CDL). Commercial Vehicle Driving is a job preparatory program that instructs students in:

- The proper loading and securing of cargo
- Coupling and uncoupling
- Shifting
- Maneuvering
- Backing of large tractor trailers, truck controls, and systems
- Double-clutching and shifting techniques of 9, 10, and 13-speed transmissions

Students will practice concepts previously covered in the classroom and the basic procedures needed to safely operate large tractor trailers prior to being taken on the road. The remaining portion of the Commercial Vehicle Driving program will be spent driving on all different types of highways.

### COMMERCIAL CLASS "B" DRIVING

150 hrs |

The Commercial Class "B" Driving program will prepare students for entry-level employment as a professional local truck driver. Upon successful completion of the

program, which includes 200 miles of local and highway driving, Commercial Class "B" Driving students will receive a technical certificate, and will be able to test at our facility for their Class "B" Commercial Drivers License (CDL).

ONLY AVAILABLE AT THE  
WEST CAMPUS

Photo Credit: Danielle McColgin

### DIESEL MAINTENANCE TECHNICIAN

600 hrs | **HYBRID**

The Diesel Maintenance Technician is an exciting new accelerated "Boot Camp" type program that prepares students for a wide array of career opportunities in the commercial diesel repair industry. The Diesel Maintenance Technician program will teach students the necessary soft and hard skills needed such as employability, problem solving, and recommended OSHA (Occupational Safety and Health Administration) procedures for entry level success. Students

will learn safe and efficient work practices, while the main focus of the program will be CMV (Commercial Motor Vehicle) Preventative Maintenance and Air brakes systems. The students will have the exposure to and also learn the skills necessary to repair ALL heavy vehicle systems including system diagnostics. Students will enjoy hands-on experience learning while maintaining and repairing an active fleet of trucks for our Commercial Vehicle Driving program.

## barbering, cosmetology & spa service

COUNSELOR 754.321.5445 | DEPARTMENT 754.321.5565

### BARBERING

1200 hrs | HYBRID

The Barbering program includes training in hair cutting with clippers, shears, styling, shaving, mustache and beard designs, hair coloring, chemical waving and relaxing. Students are introduced to the laboratory where they render hair and facial treatments to the general public for a nominal fee. This invaluable work experience at Sheridan Technical College prepares the student with entry level skills. The Barber curriculum is designed to qualify students for the Barber Licensing Examination which is governed by the Florida Department of Business and Professional Regulation.

<http://www.sheridantechcollege.edu/project/barbering-gedt/>

### COSMETOLOGY

1200 hrs | HYBRID

The Cosmetology program is designed to qualify students for the Cosmetology Licensing Examination governed by the Florida Department of Business and Professional Regulation. The Cosmetology program length may vary based upon a student's ability, attendance, and prior knowledge. Cosmetology graduates are eligible to apply for licensure or registration in Florida as a Cosmetologist and Esthetician. Students are introduced to the laboratory where they render hair, basic nails and skin care services to the general public for a nominal fee. This invaluable work experience at Sheridan Technical College prepares the student with entry level skills for the job market.

<http://www.sheridantechcollege.edu/project/cosmetology-gedt/>

## FACIALS SPECIALTY

260 hrs | **HYBRID**

The Facials Specialty program prepares students for employment as a Facial Specialist. Training includes background in bacteriology, hygiene, personality development, Florida law, machine and manual facials, tweezing/waxing, basic makeup, eyebrow/lash

tinting, and entrepreneurship. Instruction and learning activities are provided in a laboratory setting with hands-on experience using chemicals, implements, and equipment appropriate to the program content in accordance with current trade practices.

Instruction is designed to qualify students for employment while obtaining Facial Registration from the Florida Department of Business and Professional Regulation.

## MASSAGE THERAPY

750 hrs | **HYBRID**

The Massage Therapy program is designed to prepare students for employment as a licensed massage therapists in a variety of health care and wellness settings. Licensed graduates may be employed in facilities such as spas, resorts, sports clinics, corporate offices, medical offices, and/or self-employed. The Massage Therapy student will develop skills in the manipulation of soft tissues of the

human body through instruction by demonstration. Student practice includes various massage techniques focusing on basic Swedish massage and the use of hydrotherapy and other allied modalities. Massage Therapy graduates are prepared to take the National Certification Examination in Therapeutic Massage and must be licensed to work in the State of Florida.

## business & it

COUNSELOR 754.321.5443 | DEPARTMENT 754.321.5464

“ Follow the pace charts provided to you by your instructor and do not hesitate to ask question. All of Sheridan’s staff are friendly and welcoming. ”

— Anonymous  
Accounting  
Operations - OCP  
June, 2016

Some business programs are blended. Students enrolled in online programs complete the coursework according to program pacing guides from any convenient location with Internet access. Web conferencing using Blackboard Collaborate allows students to meet with their instructor online for programmatic instruction, to ask questions or to receive assistance. The live, interactive, Blackboard Collaborate sessions are recorded as a resource for students. On campus computer labs are available for student use.

### ACCOUNTING OPERATIONS

900 hrs | ONLINE

The Accounting Operations Program is designed to prepare students for employment as an Accounting Clerk, Accounting Associate, and Accounting Assistant. The course content includes the applications of accounting principles related to: business transactions; financial statements; payroll records, forms and reports; accounting control systems; account and trans-

action analysis; inventory methods; the aging process; and depreciation. Activities include the use of computers, spreadsheet (MS Excel), and Accounting QuickBooks software. The Accounting Operations Program prepares students for the QuickBooks Certified User Industry Certification.

<http://www.sheridantechcollege.edu/project/accounting-operations/>

### ADMINISTRATIVE OFFICE SPECIALIST

1050 hrs | ONLINE

The Administrative Office Specialist Program is designed to prepare students for employment as a General Office Clerk, Secretary, or Administrative Assistant. The program content includes: emerging office technology and procedures; oral and written communications; critical thinking and decision making; career research; introductory and advanced keyboarding skills; transcription of documents from dictation; electronic desktop publishing; integrated software applications; and the development of employment portfolios and job seeking documents. The Administrative Office Specialist Program utilizes Microsoft Office 2016 and other software that prepares students for the Microsoft Office Specialist (MOS) Industry Certification.

<http://www.sheridantechcollege.edu/project/administrative-office-specialist/>

## BUSINESS COMPUTER PROGRAMMING

1200 hrs | **ONLINE - NEW THIS FALL**

The Business Computer Programming program focuses on equipping students with knowledge and tools to enter web industry as an entry level Web Programmer or Web Developer. Students learn to create, maintain, and

update websites and web applications through extensive hands-on exercises in programming languages including: HTML, CSS, JavaScript, PHP, and MySQL. Students will be working with web development tools that are commonly used in the industry. From the beginning to the end of the program, students will have opportunities to

build a portfolio which contains projects that showcase their knowledge and skills they have learned from the program.

Industry Certification: CIW JavaScript

<http://www.sheridantechcollege.edu/gainful-employment/BusinessComputerProgramming/11.0202-Gedt.html>

## BUSINESS MANAGEMENT & ANALYSIS

900 hrs | **ONLINE**

The Business Management and Analysis Program is designed to prepare students for employment as an Information Technology Assistant, Supervisor, or Manager Trainee. The course content includes: communications and human resource management; finance; technology; accounting fundamentals; environmental health and safety; computer applications; functions of management;

forms of business ownership; organizational structures; business law and ethics; insurance; government regulations in business; and how to open and operate a business. As a final project, students prepare a portfolio and business plan. The Business Management and Analysis Program prepares students for the Microsoft Office Specialist (MOS) Industry Certification.

<http://www.sheridantechcollege.edu/project/business-management-and-analysis-gedt/>

## COMPUTER SYSTEMS & INFORMATION TECHNOLOGY

900 hrs | **ONLINE**

The Computer Systems & Information Technology program offers a broad foundation of knowledge and skills that prepare students for employment in the Computer/Network/Security fields. The course content includes computer hardware, troubleshooting, repair and maintenance, operating systems and software, networking fundamentals, networking protocols,

networking media and topologies, network devices, network requirements, network tools, local area networks, identifying network security threats, WAN links and Wireless technologies. The Computer Systems & Information Technology student will receive preparation for the CompTIA A+, Network+, and Security+ certifications. The program consists of three online days and daytime face-to-face classes.

<http://www.sheridantechcollege.edu/project/computer-systems-information-technology-gedt/>

## COURT REPORTING TRANSCRIPTIONIST & COURT REPORTING 2 & 3

600, 700 & 1500 hrs | **ONLINE**

This three-program sequence, approved by the National Court Reporters Association, prepares students for employment in the field of court reporting as a Transcriptionist, Scopist and Court Reporter. Students learn realtime shorthand theory and develop steno writer skills to record examination proceedings, testimony, judicial opinion, judge's charge to jury, judgment or sentence of a court, or other proceedings. This program is a precursor to the burgeoning fields of Communication Access Realtime Translation (CART) and closed captioning for persons with hearing loss. Students will be prepared to attain the Registered Professional Reporter industry certification.

<http://www.sheridantechcollege.edu/gainful-employment/CourtReportingTranscriptionist/22.0303-Gedt.html>

<http://www.sheridantechcollege.edu/project/court-reporting-2-gedt/>

<http://www.sheridantechcollege.edu/project/court-reporting-3-gedt/>

## LEGAL ADMINISTRATIVE SPECIALIST

1050 hrs | **ONLINE**

The Legal Administrative Specialist Program is designed to prepare students for employment as a General Office Clerk, Clerical Support Staff, Administrative Support Staff, and Legal Secretary. The program content includes: legal office technology and procedures, oral and written communications; critical thinking and decision making; legal terminology; legal office procedures and practices; transcription of legal documents; advanced software applications; career research; legal aspects of business and legal document preparation; and the development of employment portfolios and job seeking documents. The Legal Administrative Specialist Program utilizes Microsoft Office 2016 and other software that prepares students for the Microsoft Office Specialist (MOS) Industry Certification.

<http://www.sheridantechcollege.edu/project/legal-administrative-specialist-gedt/>

## MEDICAL ADMINISTRATIVE SPECIALIST

1050 hrs | **HYBRID**

This program will provide students with a variety of skills for employment in the medical field to perform administrative support functions. The program will include training in medical office duties that utilize knowledge of medical terminology, medical office procedures including Medical Billing and Coding, Medical Transcription, and Microsoft Office 2016.

Upon completion of this program, students are qualified to attain the Certified Medical Administrative Assistant (CMAA) certification through the MedCA (Medical Career Assessments) to become part of the Allied Health Profession. As a CMAA you may perform the following tasks:

- Review and answer practice correspondence
- Operate computer systems to accomplish office tasks
- Answer calls, schedule appointments, greet patients and maintain files
- Update and maintain patient and other practice-specific information
- Coordinate operation reports such as time and attendance

By becoming a Certified Medical Administrative Assistant (CMAA), you'll have the recognized credentials healthcare employers are searching for now.

<http://www.sheridantechicalcollege.edu/gainful-employment/MedicalAdminSpecialist/51.0716-Gedt.html>

## NETWORK SYSTEMS ADMINISTRATION

1050 hrs | **HYBRID & ONLINE**

The Network Systems Administration program prepares students for the following Information Technology industry certifications: CompTIA A+, Network+, and the Microsoft Certified Solutions Associate (MCSA) Windows Server 2016, including: Installation, Storage, and Compute with Windows Server 2016 (Exam 70-740),

Networking with Windows Server 2016 (Exam 70-741), and Identity with Windows Server 2016 (Exam 70-742). Students learn through hands on labs how to master virtualization, and how to create multiple virtual machines in a domain environment. The program consists of two days spent in the classroom performing hands-on labs and three online days, which include a live web-conference session with the teacher.

<http://www.sheridantechicalcollege.edu/project/network-systems-administration-gedt/>

## NETWORK SUPPORT SERVICES (CISCO NETWORKING ACADEMY)

1050 hrs | **HYBRID**

This program utilizes the Online Cisco Curriculum, hands-on equipment in the labs, and Cisco's Packet Tracer Software. Students will prepare for CCENT and CCNA Certification exams. Content includes IPv4 and IPv6 addressing, configuring basic and advanced security on routers and switches, and troubleshooting network connections. Part-time schedule is ideal for working professionals who want to renew or gain their industry certifications.

<http://www.sheridantechicalcollege.edu/project/network-support-services-ccna-gedt/>

“ Make sure you ask questions to the teacher or students if you don't know something. If you do the labs at the same time with the books – it's going to make more sense than just reading the book. Finally, meet with your teacher to see where you are in the program.”

— Robert Jaijairam  
Networking  
Sept. 2017

## WEB DEVELOPMENT

1050 hrs | **ONLINE**

This program offers a broad foundation of knowledge and skills to prepare students for employment in positions from Assistant to Senior Web designer. The content includes operating system commands and Web document development, design, e-commerce and promotion, and scripting. In this program you will learn to create state-of-the-art Web sites that can be seen not only on desk and laptop computers but also on today's mobile devices, such as smart phones and tablets. You will be able to do this through learning: Photoshop, Illustrator, InDesign, Acrobat, Animate, Dreamweaver, HTML5/CSS3, JavaScript, jQuery, XML, WordPress, PHP, CMS, SEO, and Web analytic tools. The Web Development program prepares students to take the Adobe Photoshop, InDesign, Illustrator, Animate, Dreamweaver and Premiere Certification Exams.

### AIR CONDITIONING, REFRIGERATION AND HEATING TECHNOLOGY

1350 hrs | **ALSO AVAILABLE ONLINE**

Air Conditioning, Refrigeration and Heating is a high demand career field. The program trains students for employment as heating, air conditioning, and refrigeration mechanics or air conditioning installer-servicers. Instruction and laboratory activities include planning, installing, testing, servicing of A/C, refrigeration, and heating systems and components. Students also learn: troubleshooting electrical and mechanical components/equipment, brazing and soldering tubing/piping, installing and servicing controls and components, electrical wiring, and routine maintenance and service. This program also offers EPA certification, comprehensive recovery, and recycling.

<http://www.sheridantechicalcollege.edu/project/ac-refrigeration-and-heating-gedt/>

### CARPENTRY

1200 hrs |

The Carpentry program prepares students for employment in the carpentry industry by teaching the skills of cutting, shaping, and installing building materials during the construction of buildings, ships, timber bridges, concrete formwork, etc. Also, the students will understand all concepts of the carpentry industry. Demonstrate such elements of the industry such as planning, management, finance, technical and production skills, underlying principles of technology, labor issues, community issues, and health, safety, and environmental issues.

<http://www.sheridantechicalcollege.edu/gainful-employment/Carpentry/46.0201-Gedt.html>

## ELECTRICITY

1200 hrs |

The Electricity program focuses on training in electricity for residential, commercial, and industrial systems. The students will be instructed on conduit bending techniques, blueprint reading, fire alarm installation, journeyman preparation, and interpreting national and local electrical codes. Also, the students will master the understanding of all aspects of the electricity industry's planning, management, finance, technical and production skills, with underlying principles of technology, labor issues, community issues and health, safety and environmental issues.

<http://www.sheridantechnicalcollege.edu/project/electricity-gedt/>

## PLUMBING TECHNOLOGY

960 hrs |

This program focuses on training in plumbing for residential, commercial, and industrial systems. Students will be instructed on soldering, blueprint reading, cutting/joining pipes, and interpreting national and local plumbing codes. Also, the students will master the understanding of all aspects of the plumbing industry's planning, management, finance, technical and production skills, with underlying principles of technology, labor issues, community issues, and health, safety and environmental issues.

## CHILD CARE CENTER OPERATIONS/FLORIDA DIRECTOR CREDENTIAL

45 hrs | ONLINE

The Child Care Center Operations program is an approved Department of Children and Families (DCF) course and is included on the State of Florida's approved "Overview of Child Care Management" course list for earning a Florida Director's Credential.

The administrator of a child care facility is a multifaceted position that requires an extensive amount of dedication, knowledge and expertise in program administration. Florida Legislature mandates, in the Child Care Licensing Standards, that directors of licensed child care facilities possess a Director's Credential.

“ Being an Early Childhood teacher is very rewarding but it demands commitment, continuous growth, dedication, patience and love. To find out if this career is for you, I would attend classes at STC because I think it is the best place to learn about Early Childhood. ”

— Margareth Remigio  
June, 2013

## EARLY CHILDHOOD EDUCATION/EARLY CHILDHOOD PROFESSIONAL CERTIFICATE (ECPC)

600 hrs |

The Early Childhood Education/Early Childhood Professional Certification (ECPC) Program prepares students for employment within the industry as early childhood educators, child care personnel, lead preschool teachers, VPK teachers, before-care/after-care workers and supervisors, child development specialists, camp counselors/supervisors, directors/owners, and family day care home operators. Included are the following major areas of training: child growth and development; health; safety; nutrition; behavior guidance techniques; child abuse and neglect; rules and regulations governing child care; observation, screening and assessment; community and environmental issues;

language development and emergent literacy; lesson and program planning; implementation of developmentally appropriate practices for children birth through age eight; inclusion of children with special needs; communication; balancing family, school and work; employability skills; labor issues; entrepreneurship; management and finance. Early Childhood Education is a Florida Department of Education Early Childhood Professional Certificate (ECPC) program. The ECPC is accepted for the Department of Children and Families (DCF) Staff Credential. Students who complete the ECE/ECPC program are prepared to pursue the national CDA credential and are also eligible for nine (9) college credits at any state public university.

June, 2016

<http://www.sheridantechcollege.edu/project/medical-coder-biller-gedt/>

## MEDICAL RECORD TRANSCRIBING/HEALTH CARE DOCUMENTATION

1200 hrs | **ONLINE**

Train to transcribe dictated medical reports. Instruction includes medical terminology, anatomy and physiology, review of English grammar and punctuation, transcribing in an online environment, editing skills necessary to transition to editing speech recognition (SR), and introduction to the electronic medical record (EMR). Upon completion, the Registered Healthcare Documentation Specialist (RHDS), which is a national certification examination, may be taken through AHDI. This MRT program is approved by AHDI and AHIMA, and is eligible for the Military Spouses Program. Although there is employment in hospitals and doctors' offices, the majority of medical transcriptionists work remotely from their home.

<http://www.sheridantechcollege.edu/project/medical-record-transcriptionhealthcare-documentation-gedt/>

## PATIENT CARE TECHNICIAN

600 hrs | **HYBRID**

The Patient Care Technician (Nursing Assistant) tends to ill and injured individuals under the supervision of doctors, nurses, and medical professionals. The duties include taking vital signs, collecting specimens, assisting patients with eating, personal hygiene and grooming. Employment is in the hospitals, nursing homes, and home health agencies. Upon successful completion of the Patient Care Technician Training program students may take the State Nursing Assistant Certification Examination. Students also receive training in 12 lead EKG and basic phlebotomy techniques.

<http://www.sheridantechcollege.edu/project/patient-care-technician-gedt/>

## SURGICAL TECHNOLOGY

1330 hrs | **HYBRID**

The Surgical Technology program prepares students for employment as surgical technologists. Included are the following major areas of training: communication and interpersonal skills, legal and ethical responsibilities, anatomy, physiology, microbiology, aseptic techniques, patient care procedures, surgical technology procedures, patient safety, use and care of equipment and supplies, CPR, employability skills, and basic computer literacy.

This program prepares individuals for employment in the operating room, central supply, ambulatory surgical centers, and physicians' offices. Students are introduced to the surgical area early in the program. Students must be able to stand for long hours and work in an atmosphere that is often

charged with pressure and urgency. Knowledge of, and experience with, aseptic techniques qualify surgical technicians to prepare instruments and materials for use at the operating table and to assist in their use with skill and dexterity. Graduates are eligible to take the National Certifying Examination for Surgical Technologists.

## STC REFUND POLICY

1. All refunds shall be accounted for and audit trails maintained in accordance with Business Practice Bulletins issued by the Office of the Chief Financial Officer.
2. Students who appear at the school in person and voluntarily withdraw within five (5) school days of the beginning of a term shall be entitled to a full refund of tuition, student activity fee, fee-supported cost recovery, and lab/supply fees. Registration fees and Health Science fees are non-refundable. Five (5) school days shall not apply to courses less than three (3) weeks or ninety (90) hours in duration. In such cases, the request for withdrawal must be made prior to the course meeting more than one-third (1/3) of its assigned hours. Retention of fees collected in advance for a student who does not enter class shall not exceed \$100. Refunds will be made within forty-five (45) days of the date on which the student voluntarily withdraws.
3. Students involuntarily withdrawn pursuant to the Adult Student Conduct and Discipline Code are not entitled to a refund of any fees.
4. Students who pay fees but are entitled to a waiver, voucher or agency payment (refer to SBBC Policy 6606) shall be entitled to a refund of fees only if required evidences are presented to the school/college principal/director or his/her designee within fifteen (15) school days of the beginning of a term.
5. In the case of unusual or extraordinary circumstances (such as illness, death in family, etc.) that preclude a student's enrollment, the school principal/director or his/her designee may honor a request for full or partial refund of fees provided that: (1) the request is made in writing prior to the date that the course would have normally ended, (2) supporting evidence (where appropriate) is provided. If said refund results in a failure to satisfy state fee requirements, the student shall not be reported for membership during the Workforce Education Fund survey period in the course for which the refund is given.
6. Students who feel they have been treated unfairly in the application of this policy or its rules may appeal using the student grievance procedure as presented in the Student Conduct and Discipline Code.
7. Refunds, when due, will be made without requiring a request from a student.
8. Refunds, when due, will be made within forty-five (45) days: (1) of the last day of attendance if written notification of withdrawal has been provided to the school/college by the student, or (2) from the date the school/college withdraws the student or determines withdrawal by the student.
9. A student is entitled to a full refund of fees if a course is canceled by the school/college principal/director or his/her designee, provided however, that the student was not reported in membership during the Workforce Education Fund survey period in which the class was counted. If so, only those fees in excess of the state requirement shall be refunded.
10. Miscellaneous items purchased from the school bookstores (textbooks, uniforms, etc.) may be returned for a full refund provided that the items are unused, in the original packaging and currently being used in the instructional program.
