Attire/Regalia - Graduates

Under Gown Attire: Wear lightweight, comfortable attire under your gown. Men should wear dark pants, shoes and socks (no sneakers or flip flops) with a collared or button down shirt. Jackets are not encouraged. Women should wear a dress, skirt or dark slacks with a nice top and comfortable dress shoes (no sneakers or flip flops). Dresses and skirts should not extend past the trim of the gown. Very high heeled shoes should be avoided; rather, opt for flats or low heels. Purses and backpacks are not permitted.

Gown: If necessary, be sure to de-wrinkle the gown. Creases and folds caused by the packaging can be removed by steaming or ironing (low heat) the gown. Hanging the gown on a hanger days before the ceremony will also assist with removing wrinkles. If the gown comes with a white collar, do not wear it. Gowns should be free of any markings or modifications (i.e. flowers, pins, buttons, etc.); however, school issued graduation cords, medallions or other honors are permitted.

Cap: Caps should be worn in such a manner that the top is flat rather than slanted or tilted. Tassels should be worn on the right side of the cap before the ceremony and are then moved to the left when directed to do so once students are conferred as graduates. Student caps can be decorated, however the following guidelines must be followed:

- Must **not** contain any advertisement, symbols, abbreviations, initials, words, slogans, patches, or pictures that refer to drugs or controlled substances, tobacco, alcohol, or weapons or be of a sexual nature.
- Must **not** denote an affiliation with gangs or which advocate drug use, violence, illegal activity, or disruptive behavior which is detrimental to the safety and welfare of other students.
- Must **not** be obscene, profane, vulgar or lewd.
- Must **not** threaten the safety and welfare of any person.
- Must **not** contain battery operated devices, blinking lights or anything that makes noise.
- Only the flat, top area of the mortar board may be decorated. Decorations must be flat on the surface. Therefore, 3-D creations and items hanging from the sides of the cap are prohibited. Make sure items are secure and not falling off.
- Graduation caps will be reviewed at the ceremony. STC and venue staff reserve the right to remove any cap that violates any of the said policies or threatens the integrity of the ceremony.

Gown Return: Graduates will keep their gowns. Faculty gowns will be returned immediately following the ceremony at the venue.
