### Description of Program

The Child Care Center Operations program is designed to prepare students to earn a Florida Director's Credentials. The program is an approved Department of Children and Families (DCF) course and is listed on the State of Florida's "Overview of Child Care Management" approved course list. The content includes, but is not limited to: organizational leadership, financial management, legal obligations and responsibilities, educational programming, marketing strategies, assessment, monitoring practices, observations, referrals and collaboration of programs with families and community resources.

The administrator of a child care facility is a multifaceted position that requires an extensive amount of dedication, knowledge and expertise in program administration. Florida Legislature mandates, in the Child Care Licensing Standards, that directors of licensed child care facilities possess a Director's Credential.
