

Sheridan Technical College Health Programs 2021-22 Admissions Checklist

Welcome to Sheridan Technical College! Whether you are starting your career, changing careers or recently unemployed, we are confident you will gain the essential skills needed to be successful and we are here to support you every step of the way! Please note, some health programs require a 2 part admissions process, so review all pages of this document prior to starting the admissions process.

Part 1

Step 1: Attend Orientation

- The 1-hour orientation is conducted online via counselor/advisor led video conferencing. Orientation provides an overview of the admissions process, services, policies/procedures and program info. A confirmation email will follow immediately after registration. Register for orientation at www.sheridantechicalcollege.edu/online-orientation-schedule.

Step 2: Submit Documents

- Admissions documents are to be submitted in person. Save time by having the following documents completed prior to your visit (click on the form title below to access the form). Forms are also conveniently available on campus. An interview with the program counselor/advisor is required to finalize the admissions process once testing is complete and all documents are submitted. No appointment is necessary; however, please call to confirm the counselor's availability prior to arrival. Refer to page 4 for counselor/advisor contact information and office hours.

4. [Florida Residency Affidavit for Tuition Purposes](#)
5. 2 proofs of FL residency (See "[Florida Residency for Tuition Purposes](#)" on the next page for acceptable proof)
6. [Counselor Interview Form](#)
7. High School or GED Transcript (If required by program or applying for basic skills exemption)
8. Valid (not expired) picture ID (i.e. driver's license, passport, etc.)

Step 3: Request Disability Services

- This step is **OPTIONAL**.
- Prospective students who wish to self-identify as having a documented disability may request reasonable accommodations for testing and classroom instruction. For more information regarding the disability services process please visit www.sheridantechicalcollege.edu/disability-services.

Step 4a: Take Basic Skills Test

- Students enrolled in a postsecondary program of 450 hours or more are required to take and pass a basic skills test in order to receive a certificate at the time of program completion. The CASAS Goals (Reading/Math) and TABE (Language) computer-based tests assess students in the areas of reading, math and language. Some students may be exempt from testing. Test accommodations may be available for individuals who self-identify as having a documented disability. Requests for accommodations must be made prior to testing via the Exceptional Education Specialist. For information regarding basic skills testing and exemption criteria visit www.sheridantechicalcollege.edu/basic-skills-prep-guide.

Step 4b: Take TEAS Test

- Prospective students for **Practical Nursing ONLY**.
- You must first meet basic skills by passing the TABE/CASAS or meeting exemption criteria before taking the TEAS test. Register on campus at the registration window in building 12. For more information regarding the TEAS test visit www.sheridantechicalcollege.edu/wp-content/uploads/2020/05/TEAS-Remote-Testing-Instructions-1.pdf.

Step 5: Apply for Financial Aid

- This step is **OPTIONAL**.
- Prospective students requesting financial assistance must complete the online Free Application for Federal Student Aid (FAFSA) as soon as possible. For more information regarding the financial aid process please visit www.sheridantechicalcollege.edu/financial-aid and select "Online Financial Aid Process".

Florida Residency for Tuition Purposes

A "Florida resident for tuition purposes" is a person who has, or a dependent person whose parent, legal guardian, or spouse has established and maintained legal residence in Florida for at least twelve months prior to the first day of the term. Those considered non-Florida residents pay tuition at a higher rate. Applicants must complete the Florida Residency Affidavit for Tuition Purposes form and submit required supporting documents. [Guide to Complete Florida Residency Form](#)

Florida Statute 1009.26(12)(a) affords students who attended a Florida secondary school for three consecutive years before graduation—regardless of immigration status (undocumented)—the opportunity to pursue higher education at in-state tuition rates, should they apply for admission within 24 months after graduation. An official Florida high school transcript is required as evidence of attendance and graduation.

Acceptable Proof

First Tier

At least one (1) of the two (2) document(s) submitted must include:

1. Florida Voter Registration Card ([Voter Information Lookup](#))
2. Florida Driver's License
3. Florida Identification Card
4. Florida Vehicle Registration
5. Proof of a permanent home in Florida which is occupied as a primary residence by the individual or by the individual's parent if the individual is a dependent child.
6. Proof of a homestead exemption in Florida
7. Transcripts from a Florida high school for multiple years if the Florida high school diploma or high school equivalency diploma was earned within the last 12 months.
8. Proof of Permanent full-time employment in Florida for at least 30 hours per week for a 12 month period.

Second Tier

One (1) of the forms of documentation may include the following:

1. A Florida professional or occupational license
2. Florida Incorporation
3. A document evidencing family ties in Florida
4. Proof of membership in a Florida-based charitable or professional organization.
5. Any other documentation that supports the student's request for resident status, including, but not limited to, utility bills and proof of 12 consecutive months of payments; legal agreement and proof of 12 consecutive months of payments; or an official state, federal, or court document evidencing legal ties to Florida.

Determining Dependency

Individuals meeting any of the following criteria shall be classified as an independent student for tuition purposes:

- You are 24 years of age or older.
- You are married. *(Copy of marriage certificate required.)*
- You have a child, or other dependent, who lives with you and receives more than half their support from you. *(Copy of most recent federal tax return required.)*
- You are a veteran of the U.S. Armed Forces or on active duty. *(Copy of military documents required.)*
- Your parents are deceased and you are, or were until age 18, a ward of the court. *(Copy of Department of Children and Families or court documents or required.)*

Academic Records

Approved Accrediting Agencies

STC accepts academic records from educational institutions that are regionally accredited or approved by a State's Board of Education (restrictions apply). Click [Approved Accrediting Agencies](#) for a list of regional accrediting agencies and their affiliates.

High School Diploma/ GED

A high school diploma or GED is required for some Certificate and Applied Technology programs and to obtain federal student aid. GED transcripts must be requested from [GED.com](#). Be sure to select Sheridan Technical College as the recipient for the transcript.

Foreign Academic Records Evaluation

Prospective students with foreign education records wishing to receive a basic skills exemption, financial aid or admittance to a program that has a diploma requirement will need to get the records evaluated. STC accepts evaluation reports from an active National Association of Credential Evaluation Services member. Request an evaluation of educational records. Just a translation of a foreign transcript is not sufficient. Records must be certified as equivalent to a secondary or postsecondary education in the United States. Translation services may also be required for records in languages other than English. Click the [Approved Foreign Transcript Evaluation Agencies](#) list for approved agencies.

Experiential Credit

Prospective students with related work or educational experience related to the program of interest may be eligible for Experiential Performance Awards. This allows students to accelerate the instructional process by applying past experiences toward the competencies taught in each Certificate and Applied Technology Program. Inform the program counselor/advisor if you would like to request experiential credit.

Registration & Payment Options

Prospective students can register after receiving an acceptance letter from the program counselor/advisor. Registration is on a first come, first served basis, so payment is required to reserve your seat in the course. Payments can be made online or in person. Acceptable forms of payment include cash, Visa or MasterCard. The cardholder must be present for in-person payments.
