Description of Program

The Medical Administrative Specialist program is designed to prepare students for employment as an information technology assistant, front desk specialist, medical office technologist, and medical administrative specialist. The content includes, but is not limited to: the use of technology to develop communication skills, higher level thinking skills, and decision making skills; medical terminology; the performance of office procedures specific to the medical environment; the production of quality work in an efficient manner using advanced features of business software applications; and medical practice management software; research of job opportunities; and the production of high quality employment portfolios and job-seeking documents. The curriculum integration of theory and practice prepares students to attain the Certified Medical Administrative Assistant (CMAA) certification through National Healthcare Association.

FLORIDA'S PUBLIC TECHNICAL COLLEGE SYSTEM

Welcome to Sheridan Technical College!

General admissions and registration procedures are as follows:

Our Admissions and Financial Aid Process is now online!

The first step is to register for a program orientation. Please visit www.sheridantechnicalcollege.com/getting-started for the complete admissions process.

Florida Residency for Tuition Purposes

A "Florida resident for tuition purposes" is a person who has, or a dependent person whose parent, legal guardian, or spouse has established and maintained legal residence in Florida for at least twelve months prior to the first day of the term. Those considered non-Florida residents pay tuition at a higher rate. Applicants must complete the Florida Residency Affidavit for Tuition Purposes form and submit two required supporting documents.

Florida Statute 1009.26(12)(a) affords students who attended a Florida secondary school for three consecutive years before graduation—regardless of immigration status (undocumented students)—the opportunity to pursue higher education at in-state tuition rates, should they apply for admission within 24 months after graduation. An official Florida high school transcript is required as evidence of attendance and graduation.

Basic Skills

Programs of 450 hours or more are required to take and pass a basic skills test in order to receive a vocational certificate at the time of program completion. If the program is less than 450 hours, not basic skills test is required.

You may be exempt from testing if you:

1. Entered 9th grade in a Florida public school in the 2003-2004 school year, or any year thereafter, and earned a Florida standard high school diploma (**official high school transcript required**);
2. Possess a college degree at the Associate in Applied Science (AAS) level or higher from an accepted accredited college or university (**official diploma or transcript required**);
3. Demonstrate readiness on the 2014 GED® (**official transcript required**);
4. Demonstrate readiness on the ACCUPLACER, PERT, ACT or SAT (**official test results required. Valid up to 2 years prior to the start of program**);
5. Active duty member of any branch of the United States Armed Services (**paper order or ID card required**);
6. Pass a state or national industry certification or licensure examination that is identified in State Board of Education rules and aligned to the CTE program in which the student is enrolled (**official test results required**); or
7. Enrolled in an apprenticeship program that is registered with FLDOE.
