Old Business:

Director Report: Mr. Moncilovich- Skills USA online competition; many students successfully completed skills

School Improvement Plan: Fareed Khan- Student engagement is an issue. Staff working on keeping students engaged and on attendance. It is currently at 98.4% online and face to face

COE: Mary Barba- Our Annual Report is due this Friday, Feb 19th, and is ready for submission. The data for this report is based on our 2018-2019 school year in which we had 31 unique programs, with over 1100 students complete their programs. Of those completers, 976 found employment in their related field. That's close to 90% employed. THIS is why we are here!

New Business:

High School Report: Fareed Khan on another meeting.

Mr. Laverde- AGE online- 380 students- 41 have earned first milestone; ABE- on campus 2 days weekly for remediation; access and career for SWD 35 students 16 working; practical nursing on campus 4 days a week 70 students in simulation labs; surgical tech 100% of students graduating in 10 days are employed.

Barrett Goldman- Programs: Automotive, Construction and Building Trades, Cosmetology, CVD Commercial Vehicle Driving (CVD) Restructure smaller class sizes enrollment up

Construction and Building Trade enrollment down by 61 students (at 111) due to space and infrastructure.

ESOL 508 enrolled down by 286 because these students want to come to campus. Working on survey to determine how many would like to return to face to face learning

Automotive- 173 students down by 33 because of high school enrollment

Mary Barba:

Topic: Cosmetology

Student Reports

SGA- Jose Mendez

Class of 2021- Brittany Barnes

- SGA Helped out on Friday, 2/12, with the breakfast for First Responders by presenting them with a handmade quilt that was signed by teachers and staff at high school
- We attended the first convention of the year for SGA at the District 6 convention for the Florida Association of Student Councils and I along with another student presented a workshop on Faculty and Staff relations and we submitted a project as our project of the year.
- We held a successful Drive-Thru Donation Collection over the weekend
- We are planning on holding an event that will benefit a foster care organization - called Together We Rise before Spring Break.
- We plan on attending both state and county conventions virtually
- We will be holding elections for new officers before Spring Break

Class of 2021: Brittney Barnes

- Tentatively planning for senior events
- Decided on a prom theme

- Continuous dedication to get all seniors graduation-ready (whether that be for community service hours or something else)
- Class of 2022: Wren Dreskin
- Getting ready for elections
- Planning our game night
- Planning future fundraisers

Class of 2023: Maia Leon

- The class of 2023 is doing well, a small portion of students prefer E- learning, but other E- learners are really starting to feel the emotional effects of Covid and the hopelessness that it brings on whether or not we'll ever have normalcy again. As per on campus students, all of them who responded to my survey reported being perfectly content with their day to day lives at school.
- As always, we're trying to higher student's motivation levels with online held events, such as Kahoot nights that we've held before and that we'll hopefully hold again soon.

Class of 2024: Isaiah Stevenson-Smith

- The Class of 2024 are feeling a little bit more motivated and a sense of joy now that majority of the class is doing hybrid learning. Students love the school environment and the welcoming sense that it gives them. class of 2024 is loving their 2nd semester classes and feel as if they have never started over in the first place.
