- Frame and Unibody Squaring and Aligning
- Mechanical Skills
- Related Welding
- Glass and Miscellaneous Repairs
- Sheet Metal Repair Skills
- Paint Systems and Undercoats
- Trim-Hardware Maintenance
- Damage Analysis and Estimating
- Employability Skills

### Program Length

1400 hrs | Full Time 12 months / 47 weeks  
Part Time 24 months / 94 weeks

### Approximate Cost

\$6,685

### Location

**Main** Campus

### Description of Program

The Automotive Collision Technology Technician Program is designed to prepare students for a variety of careers in the collision repair industry, including roles as collision repair technicians, paint repair technicians, body shop office personnel, material suppliers, and glass technicians. Collision repair technicians are responsible for restoring vehicles that have sustained damage due to collisions or natural events. The program offers comprehensive training in refinishing techniques, sheet metal repair, frame and unibody squaring and aligning, and the use of filters, paint systems, and undercoats. Students also develop skills in related welding, trim hardware maintenance, and glass servicing. Through a curriculum that integrates theoretical knowledge with hands-on practice, students gain the expertise needed to perform high-quality repairs and refinishing work. This program also prepares students to take the Automotive Service Excellence (ASE) certification tests, equipping them with the credentials needed to begin a successful career in the automotive collision repair industry.

### Requirements for Admission

- Orientation/Testing/Counselor Interview - see back page for details

### Industry Certification & State Credential Exams

Students will be prepared to take an approved state and/or nationally recognized industry certification or licensure exam in their field of study.

- Automotive Service Excellence (ASE)

FLORIDA'S PUBLIC TECHNICAL COLLEGE SYSTEM

# Welcome to Sheridan Technical College!

General admissions and registration procedures are as follows:

## Orientation

Prospective students must attend a free 1-hour program orientation before beginning the application process. Orientation provides valuable information about the program and next steps for enrollment.

Orientation registration instructions are as follows:

1. Visit [www.sheridantechicalcollege.edu/orientation-schedule](http://www.sheridantechicalcollege.edu/orientation-schedule) or scan QR Code
2. Select "Click Here to View Orientation Schedule"
3. Select the program orientation of interest and complete the registration form

Note: After registering, an email will be sent to the address you provided. This email will contain the link needed to access the orientation on your scheduled date and time.

## Admissions & Financial Aid Process

For the complete admissions process, visit [www.sheridantechicalcollege.com/getting-started](http://www.sheridantechicalcollege.com/getting-started) or scan the QR code. Applications are accepted year-round, so don't delay —start the admissions process today and take the first step toward your new career!

## Florida Residency for Tuition Purposes

A "Florida resident for tuition purposes" is defined as someone who has, or a dependent person whose parent, legal guardian, or spouse has, established and maintained legal residence in Florida for at least twelve consecutive months prior to the first day of the academic term. Individuals who do not meet this requirement are classified as non-Florida residents and are subject to a higher tuition rate. To be considered for in-state tuition, applicants must complete the **Florida Residency Affidavit for Tuition Purposes** and submit **two supporting documents** that verify Florida residency. For detailed information on acceptable documentation and to access the form, please refer to the admissions process or contact a program counselor or advisor for assistance.

## Basic Skills

Students enrolled in programs of 450 hours or more are required to take and pass a basic skills test in order to receive a Career Technical Education certificate upon program completion. However, students enrolled in programs that are less than 450 hours or Applied Technology Diploma (ATD) programs are not required to take the basic skills test. Additionally, some students may qualify for exemptions based on specific criteria. For detailed information about testing requirements, exemptions, and test preparation resources, students should visit [www.sheridantechicalcollege.edu/basic-skills-prep-guide](http://www.sheridantechicalcollege.edu/basic-skills-prep-guide), scan the QR code or contact the program counselor/advisor.
