Description of Program

The Facials Specialty Program is designed to prepare students for employment as licensed facials specialists, also known as estheticians. These professionals provide total skin care services aimed at preserving the health and beauty of the skin. The program offers comprehensive training in bacteriology, hygiene, personality development, Florida cosmetology law, and both manual and machine facial techniques. Students also learn tweezing and waxing, basic makeup application, eyebrow and lash tinting, and entrepreneurship skills. As part of their hands-on experience, students have the opportunity to provide services to the general public, allowing them to refine their techniques in a real-world setting.

Requirements for Admission

- Orientation/Counselor Interview - see back page for details

Industry Certification & State Credential Exams

After students have successfully completed the Facials Specialty Program, they can then apply for their licenses with the FL Department of Business and Professional Regulation. No state board exam required.

Admissions & Financial Aid Process

For the complete admissions process, visit www.sheridantechnicalcollege.com/getting-started or scan the QR code. Applications are accepted year-round, so don't delay —start the admissions process today and take the first step toward your new career!

Florida Residency for Tuition Purposes

A "Florida resident for tuition purposes" is defined as someone who has, or a dependent person whose parent, legal guardian, or spouse has, established and maintained legal residence in Florida for at least twelve consecutive months prior to the first day of the academic term. Individuals who do not meet this requirement are classified as non-Florida residents and are subject to a higher tuition rate. To be considered for in-state tuition, applicants must complete the **Florida Residency Affidavit for Tuition Purposes** and submit **two supporting documents** that verify Florida residency. For detailed information on acceptable documentation and to access the form, please refer to the admissions process or contact a program counselor or advisor for assistance.

Basic Skills

Students enrolled in programs of 450 hours or more are required to take and pass a basic skills test in order to receive a Career Technical Education certificate upon program completion. However, students enrolled in programs that are less than 450 hours or Applied Technology Diploma (ATD) programs are not required to take the basic skills test. Additionally, some students may qualify for exemptions based on specific criteria. For detailed information about testing requirements, exemptions, and test preparation resources, students should visit www.sheridantechnicalcollege.edu/basic-skills-prep-guide, scan the QR code or contact the program counselor/advisor.
