FLORIDA'S PUBLIC TECHNICAL COLLEGE SYSTEM

Description of Program

The Audi / Corporate Dealer Exclusive Training Program is a two-year training program designed to prepare students for careers as professional automotive technicians. This program is offered in partnership with Audi of America and a network of local dealerships representing a wide range of manufacturers including Honda, Acura, Mazda, Volvo, Volkswagen, Hyundai, KIA, Subaru, BMW, and Mercedes-Benz. Students enrolled in this program will benefit from a combination of classroom instruction and hands-on, paid work experience at a local dealership. Under the guidance of a Master Technician, students will develop advanced automotive service technology and mechanical skills. The program also provides access to OEM (Original Equipment Manufacturer) training that is recognized by dealerships across the country, giving students a competitive edge in the job market.

The curriculum is designed to prepare students for the Automotive Service Excellence (ASE) certification exams. Students have the ability to graduate as Master ASE Certified Technicians by completing all eight ASE certifications, demonstrating comprehensive expertise across key automotive service areas. In addition to technical training, students are encouraged to pursue academic advancement by attending one evening class per week at Broward College, working toward an Associate in Applied Science (A.A.S.) degree in Automotive Technology. Before being admitted to the program, prospective students must contact the program instructor to receive assistance in securing employment at a participating local dealership. For more information or to begin the admissions process, please contact Program Instructor Edgard Solis at 954.200.0574 or Sheridan Technical College's West Campus at 754.321.3900.

Requirements for Admission

- Orientation/Testing/Counselor Interview - see back page for details
- Background check & drug test (required by dealership)
- High School Diploma or GED
- Secured position with dealership (contact instructor for details)
- At least 18 years of age
- Less than three points on driver's license

Industry Certification & State Credential Exams

Students will be prepared to take an approved state and/or nationally recognized industry certification or licensure exam in their field of study.

- Automotive Service Excellence (ASE)

Welcome to Sheridan Technical College!

General admissions and registration procedures are as follows:

Orientation

Prospective students must attend a free 1-hour program orientation before beginning the application process. Orientation provides valuable information about the program and next steps for enrollment.

Orientation registration instructions are as follows:

1. Visit www.sheridantechnicalcollege.edu/orientation-schedule or scan QR Code
2. Select "Click Here to View Orientation Schedule"
3. Select the program orientation of interest and complete the registration form

Note: After registering, an email will be sent to the address you provided. This email will contain the link needed to access the orientation on your scheduled date and time.

Admissions & Financial Aid Process

For the complete admissions process, visit www.sheridantechnicalcollege.com/getting-started or scan the QR code. Applications are accepted year-round, so don't delay —start the admissions process today and take the first step toward your new career!

Florida Residency for Tuition Purposes

A "Florida resident for tuition purposes" is defined as someone who has, or a dependent person whose parent, legal guardian, or spouse has, established and maintained legal residence in Florida for at least twelve consecutive months prior to the first day of the academic term. Individuals who do not meet this requirement are classified as non-Florida residents and are subject to a higher tuition rate. To be considered for in-state tuition, applicants must complete the **Florida Residency Affidavit for Tuition Purposes** and submit **two supporting documents** that verify Florida residency. For detailed information on acceptable documentation and to access the form, please refer to the admissions process or contact a program counselor or advisor for assistance.

Basic Skills

Students enrolled in programs of 450 hours or more are required to take and pass a basic skills test in order to receive a Career Technical Education certificate upon program completion. However, students enrolled in programs that are less than 450 hours or Applied Technology Diploma (ATD) programs are not required to take the basic skills test. Additionally, some students may qualify for exemptions based on specific criteria. For detailed information about testing requirements, exemptions, and test preparation resources, students should visit www.sheridantechnicalcollege.edu/basic-skills-prep-guide, scan the QR code or contact the program counselor/advisor.
