Description of Program

The Medical Coder Biller – Applied Technology Diploma (ATD) program is designed to prepare students for employment in a variety of healthcare settings as entry-level coders, medical record coders, coding technicians or clerks, and medical coders/billers. Medical coding involves translating written diagnoses and operative procedures into standardized alpha-numeric codes used for billing, reimbursement, and statistical purposes. The program covers both manual and automated coding procedures, medical insurance claim preparation and submission, medical terminology, anatomy and physiology, fundamentals of disease processes including pharmacology, healthcare delivery systems, medical records services, and coding systems such as ICD-1, ICD-10-PCS, CPT, and HCPCS. Through a combination of theoretical instruction and practical application, the curriculum prepares students for industry-recognized certifications including Certified Coding Associate (CCA), Certified Billing & Coding Specialist (CBCS), Certified Coding Specialist – Physician Based (CCS-P), Certified Coding Specialist (CCS), and Certified Professional Coder (CPC).

Admissions & Financial Aid Process

For the complete admissions process, visit www.sheridantechnicalcollege.com/getting-started or scan the QR code. Applications are accepted year-round, so don't delay —start the admissions process today and take the first step toward your new career!

Florida Residency for Tuition Purposes

A "Florida resident for tuition purposes" is defined as someone who has, or a dependent person whose parent, legal guardian, or spouse has, established and maintained legal residence in Florida for at least twelve consecutive months prior to the first day of the academic term. Individuals who do not meet this requirement are classified as non-Florida residents and are subject to a higher tuition rate. To be considered for in-state tuition, applicants must complete the [Florida Residency Affidavit for Tuition Purposes](#) and submit two supporting documents that verify Florida residency. For detailed information on acceptable documentation and to access the form, please refer to the admissions process or contact a program counselor or advisor for assistance.

Basic Skills

Students enrolled in programs of 450 hours or more are required to take and pass a basic skills test in order to receive a Career Technical Education certificate upon program completion. However, students enrolled in programs that are less than 450 hours are not required to take the basic skills test. Additionally, some students may qualify for exemptions based on specific criteria. For detailed information about testing requirements, exemptions, and test preparation resources, students should visit www.sheridantechnicalcollege.edu/basic-skills-prep-guide, scan the QR code or contact the program counselor/advisor.
