Description of Program

The Pharmacy Technician – Applied Technology Diploma (ATD) program is designed to prepare students for employment as pharmacy technicians in a variety of healthcare and pharmaceutical settings. Under the supervision of a registered pharmacist, pharmacy technicians perform essential tasks such as receiving and dispensing medications, managing inventory, compounding and packaging pharmaceutical products, and ensuring proper labeling and distribution. As the role of pharmacy technicians continues to expand, they are increasingly responsible for routine duties that were once performed by pharmacists, and they must stay current with evolving pharmacy technologies. Upon successful completion of the program, students earn an Applied Technology Diploma, equipping them with the skills and credentials needed to enter the workforce as competent and knowledgeable pharmacy technicians.

Requirements for Admission

- Orientation/Testing/Counselor Interview - see back page for details
- Drug Screening
- FDLE Level II Background Check
- Completed Physical/Immunizations
- Health/Accident Insurance
- High School Diploma, GED or Certificate of Completion
- Transportation
- Drug Screening Clearance

Industry Certification & State Credential Exams

Students will be prepared to take an approved state and/or nationally recognized industry certification or licensure exam in their field of study.

- Pharmacy Technician Certification Exam (PTCE)
- Registered Pharmacy Technician
- Pharmacy Technician Program - NHA (National Healthcare Association)
- Certified Pharmacy Technician (CPhT)
- Pharmacy Technician Certification Board (PTCB)

Welcome to Sheridan Technical College!

General admissions and registration procedures are as follows:

Orientation

Prospective students must attend a free 1-hour program orientation before beginning the application process. Orientation provides valuable information about the program and next steps for enrollment.

Orientation registration instructions are as follows:

1. Visit www.sheridantechnicalcollege.edu/orientation-schedule or scan QR Code
2. Select "Click Here to View Orientation Schedule"
3. Select the program orientation of interest and complete the registration form

Note: After registering, an email will be sent to the address you provided. This email will contain the link needed to access the orientation on your scheduled date and time.

Admissions & Financial Aid Process

For the complete admissions process, visit www.sheridantechnicalcollege.com/getting-started or scan the QR code. Applications are accepted year-round, so don't delay —start the admissions process today and take the first step toward your new career!

Florida Residency for Tuition Purposes

A "Florida resident for tuition purposes" is defined as someone who has, or a dependent person whose parent, legal guardian, or spouse has, established and maintained legal residence in Florida for at least twelve consecutive months prior to the first day of the academic term. Individuals who do not meet this requirement are classified as non-Florida residents and are subject to a higher tuition rate. To be considered for in-state tuition, applicants must complete the Florida Residency Affidavit for Tuition Purposes and submit two supporting documents that verify Florida residency. For detailed information on acceptable documentation and to access the form, please refer to the admissions process or contact a program counselor or advisor for assistance.

Basic Skills

Students enrolled in programs of 450 hours or more are required to take and pass a basic skills test in order to receive a Career Technical Education certificate upon program completion. However, students enrolled in programs that are less than 450 hours are not required to take the basic skills test. Additionally, some students may qualify for exemptions based on specific criteria. For detailed information about testing requirements, exemptions, and test preparation resources, students should visit www.sheridantechnicalcollege.edu/basic-skills-prep-guide, scan the QR code or contact the program counselor/advisor.
