Description of Program

The Practical Nursing program is designed to prepare students for employment as a Licensed Practical Nurse. Practical nurses are employed in a variety of healthcare settings under the supervision of doctors and registered nurses and perform duties such as: distribution of medication, wound care, documentation, and other tasks that are more complex than that of a nurse's aid. The content includes, but is not limited to: theoretical instruction and clinical experiences in medical, surgical, obstetric, pediatric, and geriatric nursing. The program also includes hands-on clinical experience. The curriculum integration of theory and practice is approved by the Florida State Board of Nursing and prepares students for the National Council Licensure Examination for Practical Nurses (NCLEX PN).

Completion rate (2022-23): 63% Placement rate (2022-23): 73% NCLEX P.N. pass rate (2023): 81%

The program is accredited by the Accrediting Commission for Education in Nursing, Inc. (ACEN).

Accreditation Commission for Education in Nursing, Inc.

FLORIDA'S PUBLIC TECHNICAL COLLEGE SYSTEM

Welcome to Sheridan Technical College!

General admissions and registration procedures are as follows:

Our Admissions and Financial Aid Process is now online!

The first step is to register for a program orientation. Please visit www.sheridantechcollege.com/getting-started for the complete admissions process.

Florida Residency for Tuition Purposes

A "Florida resident for tuition purposes" is a person who has, or a dependent person whose parent, legal guardian, or spouse has established and maintained legal residence in Florida for at least twelve months prior to the first day of the term. Those considered non-Florida residents pay tuition at a higher rate. Applicants must complete the Florida Residency Affidavit for Tuition Purposes form and submit two required supporting documents.

Florida Statute 1009.26(12)(a) affords students who attended a Florida secondary school for three consecutive years before graduation—regardless of immigration status (undocumented students)—the opportunity to pursue higher education at in-state tuition rates, should they apply for admission within 24 months after graduation. An official Florida high school transcript is required as evidence of attendance and graduation.

Basic Skills

Programs of 450 hours or more (except ATD programs) are required to take and pass a basic skills test in order to receive a vocational certificate at the time of program completion. If the program is less than 450 hours, no basic skills test is required.

You may be exempt from testing if you:

1. Entered 9th grade in a Florida public school in the 2003-2004 school year, or any year thereafter, and earned a Florida standard high school diploma (**official high school transcript required**);
2. Possess a college degree at the Associate in Applied Science (AAS) level or higher from an accepted accredited college or university (**official diploma or transcript required**);
3. Demonstrate readiness on the 2014 GED® (**official transcript required**);
4. Demonstrate readiness on the ACCUPLACER, PERT, ACT or SAT (**official test results required. Valid up to 2 years prior to the start of program**);
5. Active duty member of any branch of the United States Armed Services (**paper order or ID card required**);
6. Pass a state or national industry certification or licensure examination that is identified in State Board of Education rules and aligned to the CTE program in which the student is enrolled (**official test results required**); or
7. Enrolled in an apprenticeship program that is registered with FLDOE.

PRACTICAL NURSING (H170607)
